

COP290 - A2

Dhananjay Sapawat | 2019cs10345

Burouj Armgaan | 2021vsn9003

On running the game you'll see the following screen:
Type in your name and press Enter

You have reached the **Start screen**.

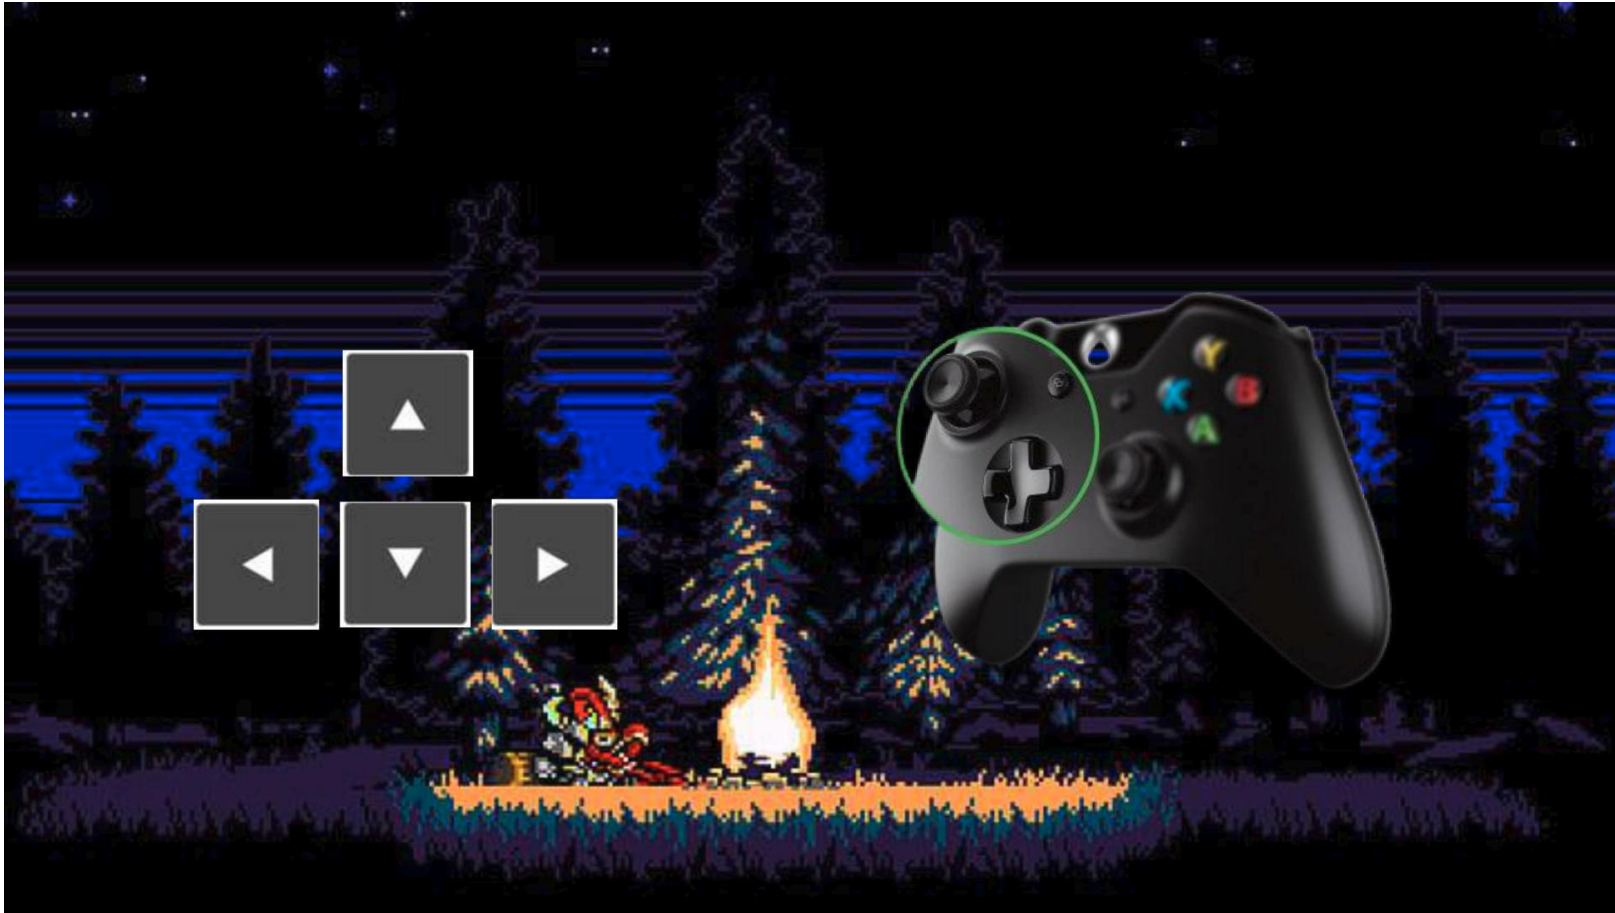

Go to any of the options (using mouse/keyboard) and click/press-enter.

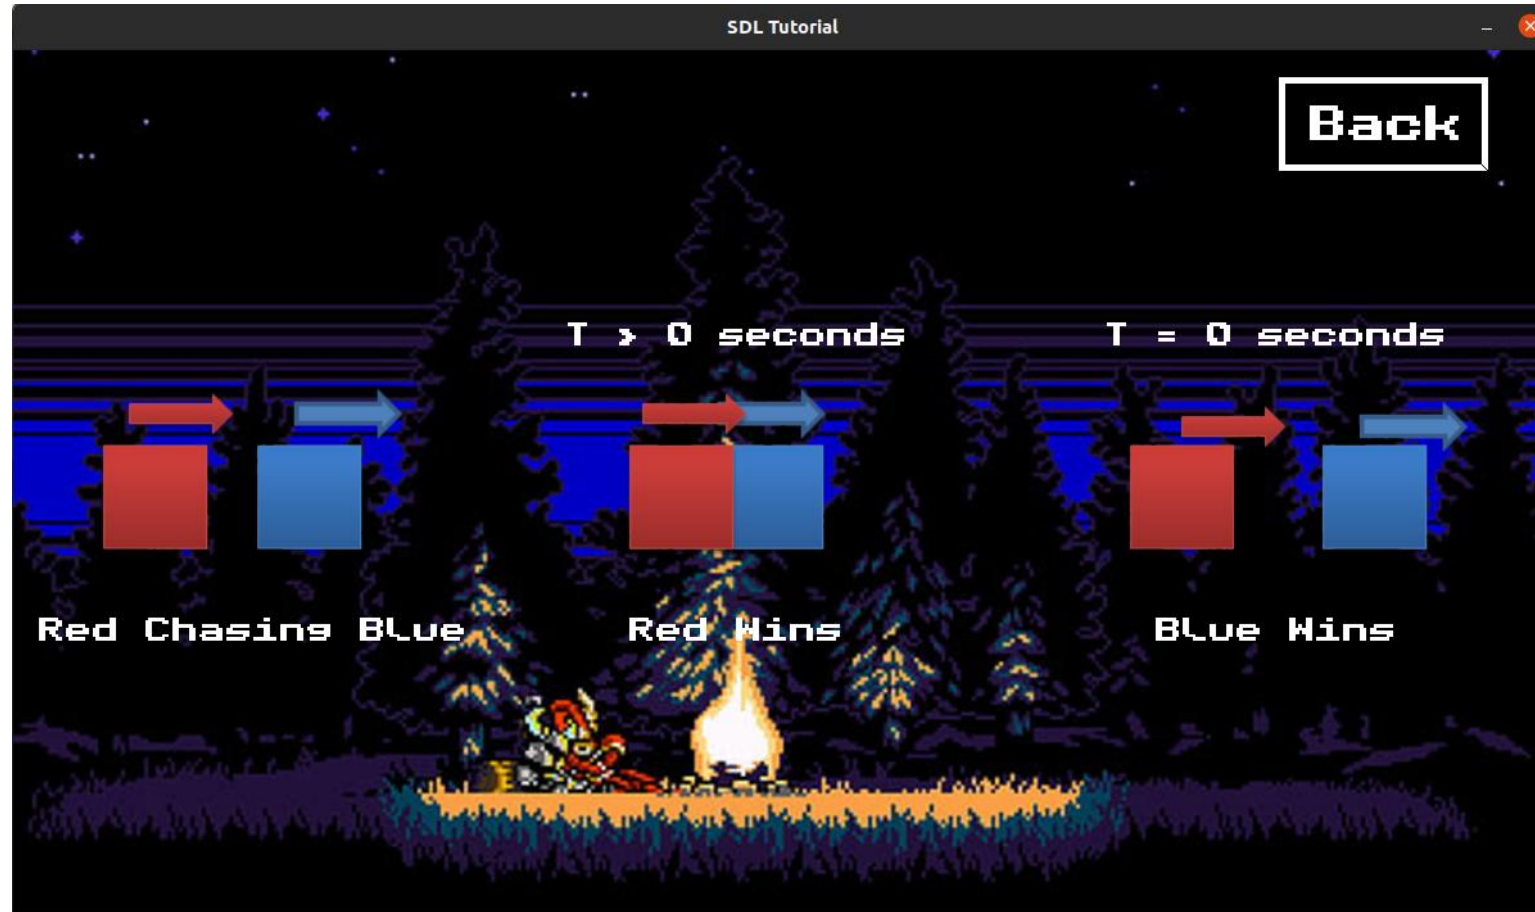

Quit: Pressing quits the game for both the players

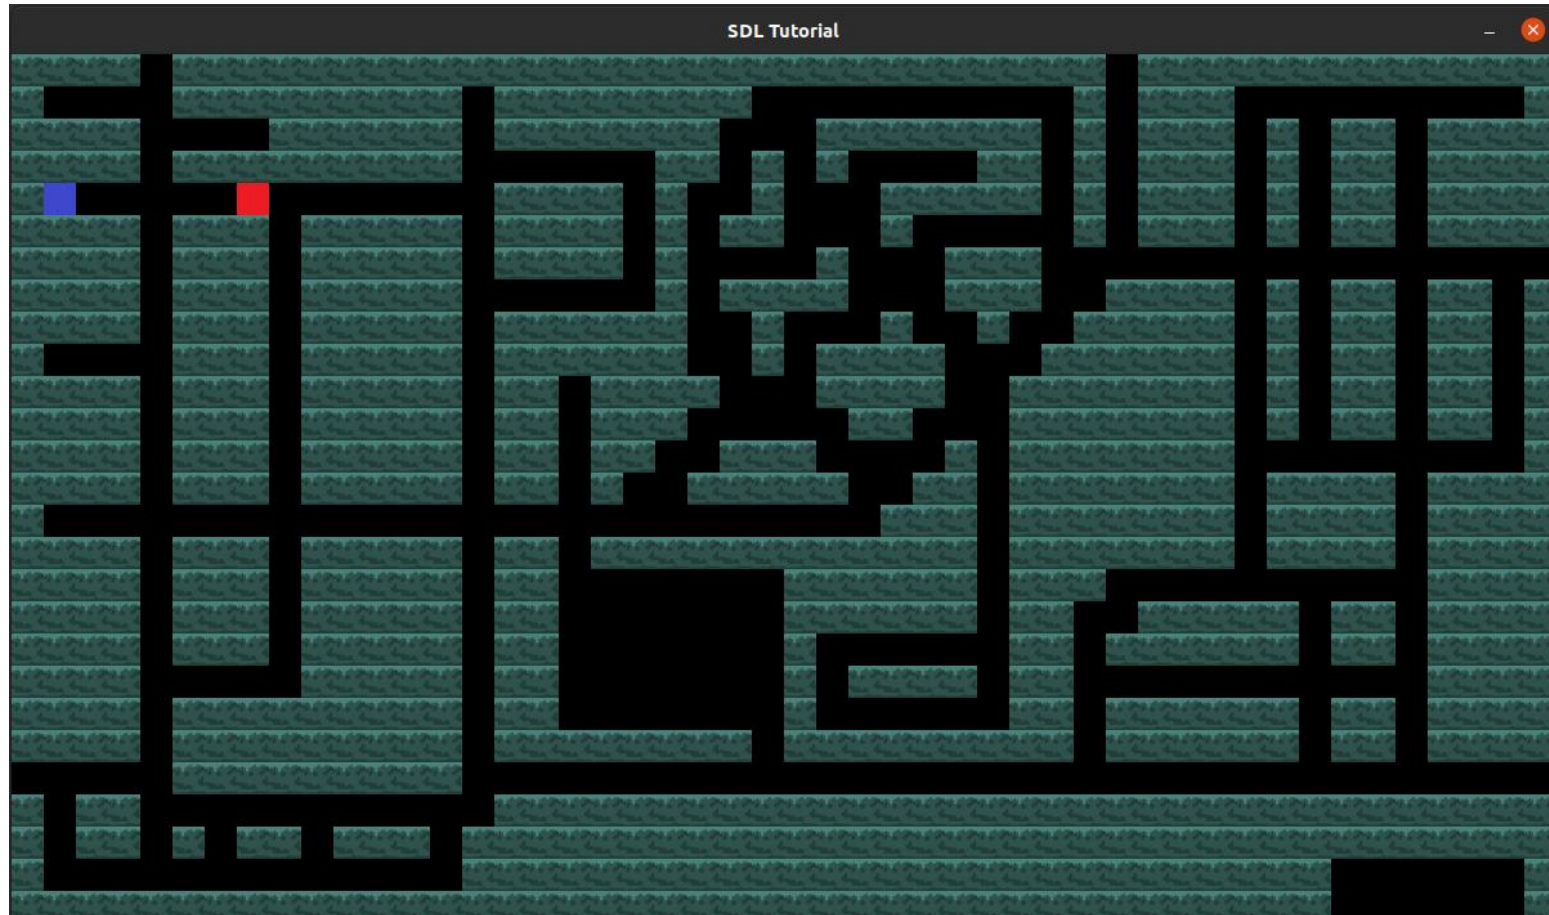

Control Screen shows the controls:
You can play with keyboard arrow keys or a gamepad L-stick.

Instruction Screen: Rules are simple: **Red chases Blue**, If red collides with blue before the timer runs out it wins, else blue wins. **Use the music's intensity as a cue for the amount of time left.**

The game: The maze is based on IITD's map.

Winning: On winning, the winner's name is displayed on both the screens.

Press space to go back to the start screen to play the game again
